KEY FEATURES & BENEFITS

| | | |
|-----------------------------|--|--|
| FRAME | FSC certified timber frame | A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base to the suite |
| FOUNDATION | 8-way hand-tied heavy gauge steel springs | 8-way hand-tied springs enhance the durability of the lounge's foundation, and provide long-lasting support to the highest level. Even weight distribution removes any uncomfortable pressure points and maintains seat shape over time. |
| MEMORY FOAM CUSHIONS | Feather, fibre and memory foam fill cushions | The reversible seat and backrest cushions are filled with higher quality down feather fill, plus a memory foam layer to conform to your body as you relax |
| UPHOLSTERY | Stocked in MZF fabric | Stocked in cotton colour or charcoal colour MZF fabric, the upholstery is easy to clean and water resistant to stay looking great for years to come |
| MODULAR DESIGN | Modular design can be arranged in several layout options | Create the perfect setup that fits your space, whether you want a sofa and loveseat or a spacious sectional the Alyssa modular lounge has you covered with two corners, two armless chairs and an ottoman |
