FEATURES & BENEFITS

FRAME

Powder coated aluminium frame with teak armrests

The structural frame is powder coated for protection from the elements and a strong foundation. Teak armrests provide a touch of colour and contrasting style

CUSHIONS

Olefin fabric cushions with foam inner

Quick dry cushions are comfortable and hold up to the conditions

RECLINING CHAIRS

Reclining mechanism on chairs

Seats on the dining chairs recline at the press of a button so you can kick back, relax and enjoy the sunshine & great outdoors

TABLE

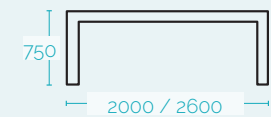

Sintered stone table top with extendable length feature

The table features a modern look stone top that has a smooth gliding, pop-up extension taking the table length from 2000mm to 2600mm - comfortably seating an additional 2 guests. The sintered stone table top has excellent heat resistance and UV stability
