FEATURES & BENEFITS

FRAME	FSC certified Pine and Plywood frame	A sturdy frame constructed with sustainably sourced timber provides a solid and long-lasting base
FOUNDATION	Heavy gauge steel Zig Zag springs	The foundation delivers long-lasting support & the first layer of comfort
FOAM	Foam & fibre	The high-density layered foam offers exceptional support, while the luxurious top layer of fibre adds an extra dimension of indulgent comfort
UPHOLSTERY	Stocked in Dexter fabric	Stocked in Beachglass coloured Dexter fabric, and can be made to order in two additional colour options
MECHANISM	Tested up to 150kgs at 25,000 cycles	This robust recliner mechanism boasts an impressive 150kg weight-loading capacity (30kg higher than standard mechanisms), ensuring reliable performance for years to come
DUAL POWERED	Powered headrest and recline	Elevate your comfort level with recliners and headrests that adjust effortlessly at the touch of a button, offering the ultimate in customized comfort! Power headrests provide additional head and neck support - plus the headrest ends have horizontal angle adjustment for even more support
ROCKING SWIVEL BASE	Seat base gently rocks and swivels	Help your little one to sleep with a gentle rocking motion from the seat base. Can also swivel to turn around smoothly and reach for nearby items without needing to get up from the chair
USB OUTLETS	USB ports located in the hand controller	Convenient device charging at your fingertips eliminates the need to search for an outlet. Charge smartphones, tablets, and other small gadgets while comfortably seated
CHILD LOCK FUNCTION	Child lock feature on the control buttons	Press and hold the end headrest and recliner buttons together for 3 seconds, and a beep will sound to signal that all buttons are protected with the child lock function. Press and hold again to unlock.
SAFETY STOP FOOTREST	Reclining footrest safety stop*	The reclining footrest has a safety strip around the edges which detects obstructions when returning into position and safely re-opens the footrest to avoid injury or damage
NIGHT LIGHT	Three-level adjustable night light	An adjustable LED light glow from under the chair can provide a cosy ambient glow at night, and is adjustable at three brightness levels. (Automatically turns off after 30 minutes)

**This nursery chair is equipped with a safety stop mechanism as an additional precautionary measure; however, it is not a replacement for proper and continuous supervision of children. The safety strip requires sufficient resistance to activate the safety stop and therefore may not engage under all circumstances. Users are advised to exercise caution at all times and ensure that children and pets are kept clear of the mechanism.*
