Feet and optional connecting brackets are located in the zipped compartment on the underside of each piece.

Step 1: Take the legs and joining clips out of the zippered compartment found in the bottom of the product.
Step 2: Take the screwdriver out of the small box inside the zipper pocket of Wedge piece / W.
Step 3: Attach each leg with 1 or 2 screws to the corners of the product as illustrated, lock it with a screwdriver.
Step 4: Attach each A Clip with 4 bolts, and attach each B Clip with 2 bolts and 2 screws as illustrated, lock it with a screwdriver.
Step 5: Carefully turn the product upright to avoid damage.
